This is a decision following remand from the District Court for the District of Columbia regarding the patent term adjustment indicated on the above-identified patent. The Court remanded this matter to the U.S. Patent and Trademark Office for recalculation of the patent term adjustment in accordance with the decision in Wyeth & Elan Pharma Int'l Ltd. v. Kappos, 591 F.3d 1364 (Fed. Cir. 2010).

The Office had a typographical error in the decision mailed 5/20/2010. In one place, the Office erred by asserting that the number was 933 and not 633. In order to avoid any confusion, the Office is remailing the decision with all places specifying 633 days. The Office apologizes for any confusion this may have caused.

The patent term adjustment indicated on the above-identified patent has been recalculated as directed by the Court. The term of the above-identified patent is extended or adjusted by six hundred thirty-three (633) days.
